Principal’s Report

The term is drawing to an end and the winter chills are upon us. Jumpers, coats and beanies are to be encouraged. We continue with many of our students wearing shorts and it appears impossible to get them into tracksuit pants! A change of clothes in bags is critical as we have many slips and slides!

Today we hosted our Healthy Relationships program and next term we will continue with our social skills program focussing on Anti –Bullying. Bullying can be subtle and in many cases tormenting. As a school, we have no tolerance for such behaviour however parents also play a part by having family discussions about bullying and its impact.

Reports go home today and with them the conduct cards, interviews will be held Tuesday so the follow up discussions will be informed. Students will be dismissed at 12.30pm and the first interviews commence at 1 p.m. Phone the office if you are unable to attend.

Haddon is off to Find Dory tonight! All our tickets have been sold and we need to thank parents for this support. For each ticket sold the school receives $7! The advanced screening was organised by Kim Kopke Veldhuis and I am sure it will be a terrific night for all.

On Friday we are finishing with an assembly at 1 p.m. and students to be dismissed at

Parents and Friends/ Community Relations/ Fundraising Meeting.

Monday June 20, 2:45 pm in school ART room.
Agenda- Review of planned social and fundraising activities, updates for semester 2, 2016 and celebration of Semester 1 achievements.

1.30.

Education is important, “It’s not ok to be away”, or to be late!! Please send in absences via Tiqbiz. Or phone in by 9am 5342 4487

Winter Sports Day
A huge thank you to our sporting coaches on our inter school winter sports day last week.

Adam Brookshaw (William Innella’s dad) and Sam Muscat (Alysha, Liam and Tyson’s dad) bravely ‘volunteered’ to coach our football and soccer teams respectively, on one of our coldest days this year. They were fantastic in their approach to the students and were a fine example to the children who took part in the sports. Thank you Adam and Sam!

Finding Dory School Fundraiser
Friday June 17

A huge thank you to all families who have supported the Regent Multiplex fundraiser, ‘Finding Dory’ which will be held tonight at 7:00pm.

All 150 tickets were sold, with a profit of $975 to go towards the new fort. The screening will be in Cinema 5, which is just inside the front door and has a capacity of 170 seats.

Remember to bring the tickets along to the cinema for admission to the movie and allow plenty of time for parking as there is a popular performance on at the Regent tonight as well.

Once again thank you and we hope everyone has a wonderful night!
