Why your child should attend school transition

Starting school can be a bit daunting for some children. By attending the school transition sessions your child will become more familiar with the school setting, On the second session there will be an Information session which will provide additional information to families as well as provide an opportunity to ask any questions you may have.

All families are encouraged to attend.

On the day

Go to the main office to collect your child's name badge. Follow the signs to the Early Learning Centre where you will meet the teacher running the transition morning. There will be activities set up to help settle your child.
