Haddon Academy Awards

Sincere thanks to students, staff and choreographers for giving us an extraordinary evening of entertainment. The staff of Her Majesty’s Theatre commended us on our show and placed us at the top of their hit list for production and performance.

I know all members of our community would like to thank Tricia Ryan, who designed and produced every costume which made the Academy Awards come alive. What an amazing effort, thank you Trish.

Last night was the culmination of lots of work and energy. To see our entire student population striving to achieve and remember all steps while under the “performance pressure” was humbling. Our juniors were amazing in transitioning from one song to another and it was well after bedtime. For many students the opportunity to perform on stage only occurs at primary school and in many primary schools they don’t host these events. We are proud of the efforts of both students and staff and today there will be many tired children and teachers!!

We hope that all families enjoyed the evening and will look forward to 2018 for the next musical extravaganza.

The DVD order and Photo orders will be coming out soon. The photos were taken by Rebecca Nicholando (Wedding, newborn, baby and family photography based in Ballarat, www.bibophotography.com.au). We would like to thank Rebecca for her fantastic work and the wonderful display in the foyer.

Education is important, “It’s not ok to be away”, or to be late!!
Please send in absences via Tiqbiz. Or phone in by 9am 5342 4487

VEGETABLE GARDEN!
Did you know kids who grow their own veggies are more likely to eat vegetables?
Over the rest of the year we are starting a school vegetable garden!
We are looking for donations to help start this venture. If you have any seeds, seedlings, gardening knowledge, or anything else that would help get our garden up and running please contact Miss Vince at school.
We are excited to introduce our students to sustainable practices and instil a love of healthy eating!
