Thankyou to all those families who have taken the time to provide such positive feedback for our Concert and we have already commenced brainstorming some ideas for 2018! In particular, thankyou to those parents who took the time to personally thank staff for all their efforts, this was very much appreciated as it is an enormous undertaking. Order forms for class and individual photos will be sent home next week and placed on our website. If you would like to view the photos prior to ordering they have been displayed in the main building foyer. The Haddon Academy Awards DVD will be available for purchase early next term.

We have a busy agenda for the remainder of the term. We have teachers from Avoca primary school coming to visit the ELC on Tuesday. Our 3 /4 students will be participating in a cricket clinic on Tuesday which we hope may generate some skill and interest for after school cricket in Term 4.

On Wednesday we have our Japanese Day with activities throughout the day and a Sushi lunch. Students in year six will be participating in an ICT day at Phoenix College on Thursday and we also have students participating in a Basket Ball competition on that day. The hectic week will finish with our Dad or Special person before school activity (Foundation-2) and Father’s Day stall on Friday.

School Council would like to respectfully ask parents to refrain from brining their dogs into the school grounds. We do not wish to offend, however we have had several families express concern as to the dogs being on school property. Some of the children are quite frightened. Regulations are fairly strict around animals in schools and even though they are not in classrooms they are in the school precinct. We have students with severe allergies to animals and we are keen to make sure our precinct is safe.

Education is important, “It’s not ok to be away”, or to be late!! Please send in absences via Tiqbiz. Or phone in by 9am 5342 4487

ART NEWS - Young Archie Portrait Prize 2016.
The Art Gallery Ballarat is inviting schools in Ballarat and across the Western region to join in this exciting project to celebrate the Archibald Prize 2016.

During Art lessons this week we have discussed the Archibald Prize awards and what is required to enter this project. Over the next week of art lessons, all students will complete a portrait of someone they admire and these will all be entered in the Art Gallery Ballarat Young Archie Prize 2016.

Children might like to discuss with family members someone they admire and why. They can find pictures of these people and bring them to school. It might be a family member, a friend or even a famous person. If families can spend some time discussing this project it will be a great help for the children when it comes to completing this project next week.

Winners and shortlisted entries will be displayed around Ballarat in October. We can look forward to celebrating the artistic talents of the children at Haddon Primary School.

Thank you in advance for your help and support,
Deanne Beseler

Hello,
My name is Penny Murdoch. It was bought to my attention that many Ballarat and surrounding areas the homeless are in desperate need of toiletries for both men and women.

Each month I take a collection to the Ballarat Pop-up Shop for the homeless. If you would like to donate, please drop donations off at the school office or feel free to contact me on 0409 168 578.

Please note that unfortunately some students have encountered some technical difficulties and when these issues have been resolved their broadcasts will be published on-line!

Thank you to all staff who have helped our students throughout the broadcasting process.

Kind regards,

The Senior Unit
WORKING WITH CHILDREN

CERTIFICATE

Do you assist with?

- Listening to reading
- Excursions
- Sporting activities
- Cooking
- Hot lunches
- Or as a general classroom helper

Then we require you to have a `Working With Children’ Certificate.

For parents to assist in our School we are required to see and file a copy of a current Working With Children Certificate.

The Department and the State Government guidelines require all parents who assist in schools to have a current certificate. This is to safeguard your children’s welfare. The certificates are only valid for five years.

VEGETABLE GARDEN!

Did you know kids who grow their own veggies are more likely to eat vegetables?

Over the rest of the year we are starting a school vegetable garden!

We are looking for donations to help start this venture. If you have any seeds, seedlings, gardening knowledge, or anything else that would help get our garden up and running please contact Miss Vince at school.

We are excited to introduce our students to sustainable practices and instil a love of healthy eating!
