

YARD DUTY AND SUPERVISION POLICY

Policy Objective

To ensure that Haddon Primary School staff have an adequate awareness and understanding of their duty of care obligations and responsibilities to provide adequate supervision to students.

To ensure that Haddon Primary School staff conduct themselves at all times consistently with these legal obligations and responsibilities.

Policy statement

Supervision of students requires Line of Sight in all contexts. This includes before and after school / recesses / excursions and incursions. This is a key platform of our Child Safe Standards

Principals and teachers have a special duty of care in relation to their students to take steps that are reasonable in the circumstances to protect students from risks of injury that should reasonably have been foreseen. This duty includes the duty to provide an adequate system of supervision.

The duty is not to prevent injury in all circumstances – it is a duty to take *reasonable* steps to prevent injury which is *known or foreseeable*. The question of what are reasonable steps will depend on the individual circumstances of the case, and consideration of the following factors:

- The probability that the harm would occur if care were not taken
- The likely seriousness of the harm
- The burden of taking precautions to avoid the risk of harm
- The social utility of the activity that creates the risk of harm

The duty may, in some circumstances, extend *outside school hours* and *outside the school premises*. This will depend on whether the relationship between staff and student extends to the individual circumstances, whether the risk was known or foreseeable, and whether there were any reasonable steps that could be taken to prevent the injury from occurring.

The duty is *non-delegable*, meaning that it cannot be assigned to another party.

Supervision Policy

The principal is responsible for ensuring that there is an adequate system of supervision in place during school hours, before and after school, and on school excursions and camps.

Teachers and other school staff are responsible for following reasonable and lawful instructions from the principal, including instructions to provide supervision to students at specific dates, times and places.

Before School & After School

Students must be supervised for a minimum of 10 minutes before and after school. This supervision may include some or all of the following:

- Monitoring of entry or exit points and/or designated pick up and drop off areas
- Supervision of the arrival and departure of school contract buses
- Yard supervision
- Classroom supervision

At Haddon Primary School, supervision at the beginning of the school day will commence at 8:50.

Supervision at the end of the school day will be provided until 3.45 This supervision will include two staff members outside in the back area of the school, bus and front of school

If a parent, guardian and carer (or other authorised person) drops off or otherwise arranges for a student to be on the school premises before supervision commences at the beginning of the day, the principal will, as soon as practicable, follow up with the parent, guardian and carer to

- advise of the supervision arrangements before school, and
- request that the parent, guardian or carer make alternate arrangements.

If a parent, guardian or carer (or other authorised person) has failed to collect the student after school, the next steps may include some or all of the following:

- Attempting to contact the parents, guardians or carers
- Attempting to contact the emergency contacts
- Placing the student in the out of school hours care program (if appropriate)
- Contacting the Victoria Police and/or the Department of Human Services (Child Protection) to arrange for the supervision, care and protection of the student

Classroom

The classroom teacher has ultimate responsibility for the supervision of all students in their care.

This duty cannot be delegated to external education providers, parents, or trainee teachers.

In addition, no student should be left unsupervised outside the classroom as a withdrawal consequence for misbehaviour. Withdrawal from the classroom is only to occur in accordance with the school's Code of Conduct policy.

If a teacher needs to leave the classroom unattended at any time during a lesson, he or she should contact the Principal for assistance. The teacher should then wait until alternate supervision is being provided prior to leaving the classroom.

Recess and lunch times

The Principal is responsible for ensuring that students are adequately supervised during recess and lunch. This will usually involve designating areas in the yard, and developing a roster for staff to supervise students in the designated area for the time indicated in the roster.

At Haddon Primary School, the Principal is responsible for preparing and communicating the yard duty roster on a daily/term basis. At Haddon Primary School the designated yard duty areas are: School yard / Oval

Teachers rostered for duty are responsible for remaining in the designated area until the end of the break period, or until replaced a relieving teacher, whichever is applicable. During yard duty, supervising teachers should be guided by the following:

- Teachers are expected to methodically move around the area rather than remain static in the one position. This increases the ability to appropriately monitor student activity. Each teacher is expected to wear their allocated high vis' vest.
- Be alert and vigilant
- Intervene if potentially dangerous behaviour is observed in the yard
- Enforce behaviour standards and implement logical consequences for breaches of safety rules
- Ensure that students who require first aid assistance receive it as soon as practicable

If the supervising teacher is unable to conduct yard duty at the designated time, he or she should contact the Principal to ensure that alternative arrangements are made.

If the supervising teacher needs to leave yard duty during the allocated time, he or she should contact the Principal, but should not leave the designated area until the relieving teacher has arrived in the designated area.

If a relieving teacher does not arrive for yard duty, the teacher currently on duty should send a message to the office, but not leave the designated area until a relieving teacher has arrived in the designated area.

Late arrival or early departure

The Principal will ensure that the school has a procedure in place for the safe collection and drop off of students at school during school hours (eg. late arrival or an early departure). This will include a record of the date and time, the reason for the late arrival or early departure, and the person who has authorised the late arrival or early departure.

In relation to early departure from school, the procedure will also include:

- Students will be only permitted to leave the school premises under the supervision of a parent or another person authorised by parents to collect the student
- If the person collecting the student is unknown to school staff, school staff will request photo identification to verify the person's identity

At Haddon Primary School the procedure is as follows:

- Late students must receive a late card from the office before entering the classroom
- Early departure students must be signed out by parents at the front office or have provided the Principal with written authority for their child/ren to be dismissed early

Visitors

The Principal will ensure that there is a procedure to monitor all visitors in the school. As a minimum this procedure must require all visitors arriving and departing the school premises during school hours to use a visitors' book to record their name, their signature, the date and time, and the purpose of the visit.

At Haddon Primary School, the procedure is as follows:

- Visitors must sign in at the Office on Compass and wear a Visitor or Contractor Lanyard
- Visitors must produce evidence of a satisfactory WWCC where necessary

Yard duty responsibilities

Staff who are rostered for yard duty must remain in the designated area until they are replaced by a relieving staff member.

During yard duty, supervising staff member must:

- methodically move around the designated zone
- ensure students remain in their designated year level zones
- be alert and vigilant
- intervene immediately if potentially dangerous or inappropriate behaviour is observed in the yard
- enforce behavioural standards and implement appropriate consequences for breaches of safety rules, in accordance with any relevant disciplinary measures set out in the school's Student Engagement policy
- ensure that students who require first aid assistance receive it as soon as practicable
- log any incidents or near misses as appropriate on Compass

If being relieved of their yard duty shift by another staff member (for example, where the shift is 'split' into 2 consecutive time periods), the staff member must ensure that a brief but adequate verbal 'handover' is given to the relieving staff member in relation to any issues which may have arisen during the first shift.

If the supervising staff member is unable to conduct yard duty at the designated time, they should contact the Assistant Principal with as much notice as possible prior to the relevant yard duty shift to ensure that alternative arrangements are made.

If the supervising staff member needs to leave yard duty during the allocated time, they should contact the a colleague and should not leave the designated area until the relieving staff member has arrived in the designated area.

If the relieving staff member does not arrive for yard duty, the staff member currently on duty should let the A.P. know and not leave the designated area until a relieving staff member has arrived.

Students will be encouraged to speak to the supervising yard duty staff member if they require assistance during recess or lunchtime.

Use of information and communication technologies

Teachers and other staff of Haddon Primary School also have a responsibility to reasonably supervise the use of information and communication technologies, and the use of online learning environments at school.

In doing so, teachers and other staff should be guided by the following:

- Relevant Departmental policies (eg. Student Engagement Guidance, Bully Stoppers, Acceptable Use Policy)
- Relevant Haddon Primary School policies (eg. Acceptable Use Agreements)

It is important to note that

- It is not reasonable or practicable for a teacher or principal to inspect every website that will be accessed by a student. The nature of the Internet means that there can be no guarantee against inappropriate content or changing circumstances in website content.
- It is not reasonable or practicable for a teacher or principal to supervise an online learning environment 24 hours a day.

The principal and teachers are expected to respond to an online incident that impacts on students at the school as soon as they have knowledge of its occurrence.

At Haddon Primary School the procedure is as follows:

- The matter is referred to the Principal or ICT coordinator immediately and appropriate action will be taken

Incursions

Teachers must continue to supervise their students even whilst a visitor, speaker or instructor is presenting to the class.

Visitors, speakers and instructors should not be responsible for supervising students on the school premises.

Excursions and camps

The principal must ensure that students participating in excursions and camps are appropriately supervised.

Supervision can be provided by teachers, education support officers, trainee teachers, volunteer parents and carers, campsite staff and specialist instructors.

The *Schools Policy and Advisory Guide* provide minimum requirements for staff-student ratios. However, Principals should determine the appropriate and effective level of supervision for each individual excursion or camp, taking into account the following:

- The experience, qualifications and skills of staff
- The age, maturity, physical characteristics and gender of the students
- The size of the group
- The nature and location of the excursion / camp
- The activities to be undertaken

Most excursions and camps must

- be under the direct control of a teacher with at least one other excursion staff member present
- have enough teachers to maintain appropriate control of the excursion and each activity
- have teachers comprising at least half of the excursion staff

Any person who supervises students on an excursion or camp must have a Working with Children Check (WWCC).

Prior to the commencement of the excursion or camp, the Principal must ensure that the specific roles and responsibilities of each supervisor are clarified and understood by all supervisors and students.

The supervision of students on a camp or excursion will include the following:

- Retaining copies of all confidential medical forms and permissions slips for each student who is participating in the excursion or camp.
- Regularly marking off the attendance of students – this may include at the beginning of the excursion, on the transport, and at each location and activity.
- Ensuring that the venue, transport and activities conducted adhere to DET guidelines.
- Monitoring student behaviour, enforcing behaviour standards, and implementing logical consequences for a failure to comply with the behaviour and safety standards
- Ensure that students who require first aid assistance receive it as soon as practicable

- Ensure that risk management plans and emergency management plans are implemented as necessary
