

2023 Parent Payments Grade 1

Dear Parent/Guardian,

Haddon Primary School is looking forward to another great year of teaching and learning and would like to advise you of Haddon Primary School's voluntary financial contributions for 2023.

Schools provide students with free instruction to fulfil the standard Victorian curriculum and we want to assure you that all contributions are voluntary. Nevertheless, the ongoing support of our families ensures that our school can offer the best possible education and support for our students. We want to thank you for all you support, whether that's through fundraising or volunteering your time. This has made a huge difference to our school and the programs we can offer.

Within our school this support has allowed us to provide interactive education, start upgrading our facilities such as the basketball court resurfacing and increasing our resources particularly in the literacy and digital technology areas.

For further information on the Department's Parent Payments Policy please see a one-page overview attached.

Yours sincerely,

Maryanne Moody
